Stone mantap on the Tirupati Hills, North Arcot District

Sl 1. Petition No 854 dated 20th August 1904 from Srinivasachar, Karyakartha of the Sri Brahmatantra Parakala Swami Matt.

The petitioner states that there is a four-pillared stone mantap in H.H the Maharaja's Chattram at Tirupati; that it is reported that the mantap would be sold by public auction on account of its being in a dilapidated condition; that ~~in case it is to be sold,~~ there is a mantap at Triuchanur belonging to the Matt and to which the God is taken in procession once every year and stands in need of urgent repairs and that the mantap may be ordered to be given to the Matt to enable it to repair

During my recent visit to Tirupati I had occasion to see the Mantap in question. It is situated in the rock-yard (compound) of the Post Chattram at Lower Tirupati. There is no intention of selling it by public auction or of giving it away to anyone. I am of the opinion that it should where it is, with some slight repairs. The removal of the Mantap would cost a considerable sum about Rs 500-Rupees. Further I am ~~[illegible]~~ of the humble opinion that it is not desirable to dismantle and remove the Mantap to which the idols of the Govindaraja perumal temple were being brought during Brahmotsavams in former days.

Under these circumstances
